

Make Your Own Koinobori

(Carp Streamer)

Materials Needed

Scissors
Glue or glue stick
Yarn or String

Paper or toilet paper roll
Tissue paper or colored paper
Markers or Crayon

Instructions

Step 1

Grab your toilet paper roll, set it aside and begin cutting circles out from your colored paper or tissue paper.

Step 2

Once everything is cut out, grab your glue and glue your circles in an overlapping pattern onto your toilet paper roll.

Step 3

Cut some colored paper or tissue paper into strips. These will be your streamers. Then glue them inside the bottom portion of your "carp"

Step 4

Take your yarn and create a handle at the top of the "carp" so it can fly in the wind.
